EIGHTY-FIFTH ANNUAL REPORT.

The Board of Management has pleasure in presenting to the Governors the Report for the year ended 31st December, 1947.

Patients.

The number of In-Patients treated during the year was 2,621 as compared with 2,463 the previous year, an increase of 158. Out-Patient attendances were 7,101 (1,235 new and 5,866 old) as compared with 8,599 (1,540 new and 7,059 old) a decrease of 1,498.

There were 3,001 operations (including dentals) performed in 1947, as compared with 3,004 in 1946, a decrease of 3. But for the serious outbreak of infantile paralysis, the admissions, attendances, and operations at the hospital would have been a record. The average number of beds occupied daily during the year was 64 and the average length of stay of each In-Patient was 8.9 days or excluding tonsil cases 13.8 days. 33 nursing mothers were accommodated during the year.

The Report of the Honorary Medical and Surgical Staff shows the number of patients who received treatment in Special Departments, and on page 21 is given a record of districts from which the patients came. It is interesting to note from the latter that 1,683 In-Patients from 198 districts other than Newcastle received treatment, and Out-Patient attendances from 107 districts other than Newcastle numbered 3,816.

Almoner's Dept. and Garment Guild.

The Reports on these two auxiliary departments of the Hospital are given on pages 12 to 15 and show the extra assistance rendered for the benefit of the children by other than purely hospital treatment. This in many cases makes all the difference in the results achieved. Mrs. Allan J. Hogg, whose services are voluntary, does a great amount of unseen work for which the Board would like to record its appreciation. It is hoped the Garment Guild will continue to function for the benefit of the children after the Hospital has ceased to retain its voluntary status.

Finance.

The Balance Sheet and Income and Expenditure Account on pages 24 to 29 summarise the financial transactions during the year.

The total Ordinary Income amounted to £18,200 : 9 : 10 as compared with £13,709 : 14 : 2 the previous year, an increase of £4,490 : 15 : 8, mainly for services rendered to Education Authorities.

The total Ordinary Expenditure amounted to £22,981 : 13 : 1 as compared with £17,511 : 1 : 2 the previous year, an increase of £5,470 : 11 : 11 covering increases under nearly every heading, but mainly on Salaries and Wages.

The net deficiency for the year transferred to General Funds amounts to £3,384 : 4 : 10 as compared with a deficiency of £1,755 : 11 : 6 for 1946.

The total Subscriptions and Contributions this year amounted to £6,214 : 9 : 0 as compared with £6,540 : 9 : 1 in 1946, a net decrease of £326 : 0 : 1 made up as follows :—

Special Contributions.

Newcastle Day School Children's Hospitals' Fund. The sum of £2,125 has been received from Miss E. T. Kerr, Honorary Treasurer of the Newcastle Day School Children's Hospitals' Fund, of which £1,525 has been invested towards the sum of £5,000 for the endowment of a large Ward, which now stands at £3,425.

The generous help of this well-organised Fund is much appreciated and the Board sincerely thanks all those who have been instrumental in obtaining this splendid addition to the Fund. As a token of appreciation of the work of the children and teachers of the City's day schools in collecting £19,160 for the Cot Fund during the past 50 years, a Silver Cup was presented by the Hospital to the Chairman of the Newcastle Education Committee on 28th October, 1947, to be awarded annually for some activity in which the children take part.

Vickers-Armstrongs Employees' Medical Fund. The Board again records with gratitude the receipt on 19th February, 1947, of a Special Contribution of £325. This makes a total received since 1922 of £12,422 : 5 : 0 and is in addition to their annual contribution towards the maintenance of the Hospital. The object on which the money may be spent is left in the hands of Mr. G. Wagget, their representative, who is also a member of the Board.

Order of the Eastern Star. During the year the sum of £286 : 6 : 9 has been received from the North of England District Grand Chapter, Order of the Eastern Star. The total sum including interest received towards the endowment of a Cot is £444 : 1 : 1 and is greatly appreciated.

Fleming Annual Ball. This was a most successful function organised by Mr. Keith Millican, and a Committee of willing helpers, to whom the Board expresses sincere thanks. The net financial result was a donation of £200. This has been credited to a special deposit account, and will not be used for the ordinary upkeep of the Hospital.

Annual Gold Medal and Money Prize. Major Martin Millican has kindly offered to provide a Gold Medal each year to be presented to the best Staff Nurse of the year and to be called "The Cyril Millican Gold Medal". In addition the Board agreed to give annually a cash prize of twenty-five guineas.

Gifts after the Appointed Day.

Gifts for special purposes will still be needed, e.g. for research, comfort and assistance for patients, and amenities for the staff. Intending donors are reminded that the new Management Committee will be a corporate body, and will have full power to receive gifts and legacies of money or property upon trust for purposes relating to Hospital Services or the function of the Committee with respect to research. The Secretary will be pleased to give further information regarding this.

Ophthalmic Dept. Mr. L. H. Lake, M.B., B.S., D.O.M.S., has been appointed Honorary Ophthalmic Surgeon, and visits the Hospital each Wednesday at 2 p.m.

Nursing Staff. The trustees of the Heath Bequest awarded the following prizes :—

Senior Nurses :	Nurse Anne M. Judson.
Junior Nurses :	
1st	Nurse M. J. Robinson.
2nd	Nurse C. Butler.
3rd	Nurse C. Lawson.

The prizes were presented by Mrs. Moffat (at one time Matron of the Hospital) who at the same time awarded to Nurse Judson, her own special prize for the best Nurse of the year.

Two Nurses entered for the Final State Examination and passed in all subjects.

Fourteen Nurses entered for the Preliminary State Examination :—

9	passed in all subjects.
4	failed in one subject.
1	failed in all subjects.

The work of the Physiotherapy department has suffered through frequent changes of physiotherapist early in the year. Since the appointment of Mrs. Dow in June, the department has been extremely busy.

The hospital has, in the death of Canon F. G. Goddard, lost a very hard working Chaplain. The Vicar of St. George's, the Reverend J. Ramsbotham, has very kindly taken over the Chaplain's duties. The Preliminary Training School, No. 1 Tankerville Terrace, has been found to be in St. George's Parish. We have again to thank the Rev. Father J. A'Hearn and the Ministers of Non-Conformist Churches for their untiring ministration.

Miss Thompson has given invaluable service teaching one of our long stay patients, and we are most grateful to her.

Beautiful flowers from Mrs. Ferguson have brightened our Wards at intervals throughout the year. Mr. Garland (Messrs. Bainbridge & Co.) and Mr. Bardgett have again influenced many mourners to send quantities of lovely flowers. This thought of our sick children in the midst of deep sorrow has been very inspiring.

Obituary.

The Board records with great regret the death of Mr. Lee Hudson on 29th October, 1947. Mr. Lee Hudson was a Vice-President of the Hospital. His connection with the Hospital dates back to 1890. He served on the Management Committee from 1895 and in 1903 he was elected a Vice-President.

Education Act 1944.

This Act provided for the free medical treatment of school children in State aided schools by arrangement between Local Education Authorities and Hospitals in their areas. Arrangements have been made under the Act with Northumberland County Council, Newcastle Corporation and Tynemouth Corporation, and it is hoped an arrangement will shortly be made with Durham County Council.

City Road Premises.

An offer to purchase the premises 12 to 18 City Road, has been made by the Corporation of Newcastle upon Tyne. This offer has been accepted subject to confirmation by a Special Court of Governors and the Ministry of Health.

Planning Committee.

A Planning Committee was formed in March, 1947, consisting of representatives of the Board of Management and the Medical Board.

This Committee was constituted with a view to producing to the Board of Management plans and suggestions for present and future improvements to the Hospital, based on experience over recent years and upon recommendations from the Medical Board. The same Committee has in many instances been asked and empowered by the Board to arrange the implementation of their recommendations after approval by the Board.

A considerable amount of work has been done and thirteen meetings held. Many minor improvements have been made in the Hospital arrangements and in the accommodation for patients, nurses and domestic staff. In addition, major improvements have been considered both in staffing, accommodation and fixtures and fittings. For instance, recommendations have been approved for a new Ward Block to be built, and efforts are now being made to obtain sanction for this work to take place. An improved Nurses' Sick Room has been planned and the plans have been passed. Efforts are being made to purchase the Nurses' Home at Tankerville Terrace and many improvements are in hand there to bring it up to the standard required by the General Nursing Council and to make it a thoroughly comfortable and pleasant home for the nurses, combined with an efficient Preliminary Training Centre.

Work is now well in hand with the new Play Room and it is hoped that this will be completed before the end of the Spring.

A number of appointments have been made on the Staff of the Hospital during the year.

This Committee continues to meet regularly to ensure that the Hospital is kept up to date with modern requirements and in the best interests of the patients and staff.

Silver Paper. Our Silver Paper Cot Endowment Fund now stands at £854 : 18 : 4, only £145 : 1 : 8 short of the £1,000 to endow the Cot. We shall endeavour to keep the Fund open until our target has been achieved.

Christmas. There was again a record response to Matron's Christmas Appeal. This is a Fund which it is hoped will continue to be supported even although the State takes over on 5th July, 1948, so as to ensure the sick children having a happy Christmas as far as possible. Special Christmas fare was provided and a conjuror and the Wizard of Wog caused much merriment. Old patients who were our guests during the festivities were loathe to leave us. Stockings were filled with all that had been asked for and the children were very happy. On Christmas morning the Hospital was honoured by a visit from the Lord Mayor and the Lady Mayoress (Alderman and Mrs. T. McCutcheon), the Sheriff and the Sheriff's lady (Alderman and Mrs. T. Tully), and the Deputy Lord Mayor and the Deputy Lady Mayoress (Councillor and Mrs. C. H. Graham).

Thanks. This will probably be the last Annual Report to be issued by the Fleming as a Voluntary Hospital, and the Board of Management desires to express its gratitude to the members of the Honorary Medical and Surgical Staff, Resident Medical Staff, Matron, Sisters, and Nursing Staff, for the care and attention which they have bestowed on the patients and for their interest in and support of the hospital. To the House Governor, Almoner, Speech Therapists, Clerical and other staff, for the efficient way in which they have performed their various duties, and to Major Frank C. Clayton (Honorary Treasurer), Messrs. Gibson, Pybus and Pybus (Honorary Solicitors), and the Auditors. The Board also desires to thank the Chaplains for attending to the Spiritual needs of patients, to our subscribers and all other supporters too numerous to mention individually who by their practical sympathy and generous help have made it possible for the Fleming to carry on its work of alleviating sickness and suffering.

On behalf of the Board of Management,

G. D. ANDERSON,

Chairman.

REPORT OF HONORARY MEDICAL AND SURGICAL STAFF.

The Honorary Medical and Surgical Staff have pleasure in submitting their Report on the work of the Hospital during 1947.

In-Patients. On the 1st January, 1947, there were 51 patients in Hospital. During the year 2,570 were admitted, making a total of 2,621 In-Patients. The number of operations performed was 1882, including 1,143 Tonsil operations.

Out-Patients. The number of Out-Patient attendances was 7,101.

The following are the numbers of patients who attended the various clinics :—

X-Ray	2,000
Massage	456
Electrical Treatment	166
Remedial Swedish Exercises	918
Ultra-Violet Ray Treatment	308
Dental Department	349
Throat, Nose and Ear Department	1,729
Skin Department	438
General Clinics	1,895

The average number of beds occupied daily was 64.

The average length of stay per patient was 13.8 days.

The number of nursing mothers admitted was 33.

Staff. During the year, Dr. Reginald Wear was appointed Honorary Radiologist filling the vacancy left by the resignation of Dr. Paige Arnold. In the later part of the year Dr. B. D. Houston was appointed as Assistant Radiologist.

Mr. Munro Black, M.D., M.S., F.R.C.S., was appointed Honorary Surgeon to the Throat, Nose and Ear Department.

The Ophthalmic Department has been re-opened and Mr. L. H. Lake, M.B., B.S., D.O.M.S., has been appointed Honorary Ophthalmic Surgeon.

We regret that Dr. Armstrong Davison has resigned from his position as Anæsthetist to the Hospital. We have now added Dr. Lumley Murray, Dr. Steadman and Dr. Bremner to the Anæsthetic Staff, so that with Dr. Bell we now have four anæsthetists available.

We record with pleasure the creation of a new Committee, the Planning Committee, composed of representatives of the Board of Management and the Medical Board. This Committee should promote close co-operation between the two Boards.

Finally we gladly record our appreciation of the whole-hearted co-operation by the Matron and Nursing Staff, the Resident Doctors, the Lady Almoner and the Dispensing Staff, and we are grateful for the invaluable services we have received from the House Governor and Secretary.

W. MACMURRAY,

Chairman, Medical Board.

ALMONER'S REPORT FOR 1947.

I have much pleasure in presenting the report of the Almoner's department for 1947. 3,591 cases have come under the notice of this department during the year and 579 have been helped or advised in some way.

Home Visiting. The visiting of the homes of patients continues to form one of the main functions of the Almoner and 62 visits were paid during the year. Homes that are too distant for visiting and cases requiring supervision on discharge are referred to the local Health Visitor. I should like to take this opportunity of thanking them for their co-operation. 63 patients were referred to them.

Instruments. 50 surgical instruments were supplied. Grants towards 14 of them were received from the Arnison Surgical Aid Society, the School Medical Officer, Tuberculosis Medical Officer and the British Legion.

Convalescence. The convalescing of children in this area presents a problem. There is a great lack of suitable children's convalescent homes. The Poor Children's Holiday Association have been most helpful and have taken five of our patients at the Edith Brough Home at Whickham. Two children were sent to Silloth Convalescent Home, one to the Peile Home at Shotley Bridge, one to the Rose Joicey Home at Whitburn and one to Whitton Towers. One child was sent to Stannington Sanatorium.

Other forms of help. Patients were referred to the following organisations for some specific form of help which they could give :—

Board of Trade	2
Tyneside Council of Social Service	1
N.S.P.C.C.	3
Ministry of Food	1
Moral Welfare Worker	3
Housing Authorities	9
Ministry of Labour	1
Public Assistance Committee	3
S.S.A.F. Assoc.	1
W.V.S. for help with clothing	1
British Legion	1
Fleming Clothing Fund	3
Gregg Bequest Samaritan Fund	2
Tuberculosis Medical Officer	1

Transport. 10 children were conveyed to and from hospital by the Hospital Car Service and the Health Services Ambulance.

District Nurse. It was arranged for the District Nurse to attend to 67 patients in their homes.

Speech Therapy. 66 children were referred by the School Medical Officer for speech therapy and 66 appointments were made.

Fares. 72 children received fares from the School Medical Officer for regular attendance for speech therapy and physiotherapy.

Child Welfare Services. In 1947 the number of children under five years of age who attended the hospital was as follows :—

In-Patients	525
Out-Patients	1,246
Total length of stay of In-Patients	2,434 days.

Canteen. The canteen was resumed again in April through the very kind help of Mrs. Martin Millican and has continued since then with the assistance of Mrs. Dunford, Mrs. Benson, Mrs. Wood, Miss Brown and latterly Mrs. Smith and Mrs. Donaldson.

I should like to take this opportunity of thanking them for giving their time to help in this way. It is especially appreciated by the mothers when they can get a cup of tea on cold mornings often after leaving their homes at a very early hour.

I should like to thank the Medical, Surgical and Nursing Staff for their help and co-operation throughout the year.

SPEECH THERAPY CLINIC REPORT FOR 1947.

The work of this Clinic continues to grow. Sessions are now being held on Monday morning and afternoon and Thursday afternoon. At two of these sessions the help of an assistant has been most valuable in treating the increased number of patients.

At the end of September Miss M. F. Sievwright, L.C.S.T., left to take up a full-time appointment under a Local Education Authority and her place was taken by Mrs. Joan Bird, L.C.S.T. I should like to express my great appreciation of the valuable help rendered by Miss Sievwright and Mrs. Bird during the past year.

The number of patients attending on January			
1st, 1947, was	65
Referred for treatment during the year	98
Discharged	67
Attending 31st December, 1947	96
Total attendance during the year	1,694
This is an increase of 573 on the previous year.			

The cases treated include stammering, cleft palate speech, dyslalia, dysarthria, dysenia (Speech defects due to defective hearing), retarded speech development, and other defects.

The audiometer has been of increasing use in diagnosing the cause of certain speech defects and in assessing the degree of deafness in children with subnormal hearing. 87 children were tested by the audiometer in this department during the year.

I acknowledge with thanks the gift of toys and apparatus. A large Doll's House has been given and will be of much use when the necessary accommodation is available.

SPECIAL COURT OF GOVERNORS.

A Special Court of Governors was held at the Hospital, Great North Road, Newcastle, on Wednesday, 31st March, 1948, at 2-45 p.m.

Twenty-seven Governors, Life Governors or Representative Governors present whose names are recorded in the Attendance Books. Mr. W. Cochran-Carr, J.P., in the Chair.

The Notice convening the Meeting was taken as read.

Regrets for inability to be present were received from the Rt. Rev. the Lord Bishop of Newcastle, the Rt. Hon. the Lord Mayor of Newcastle, Sir Ralph Mortimer, Councillor Mrs. C. B. Fenwick, Miss K. L. Armstrong, Miss D. A. Souness, Mrs. M. Bayles, Mr. F. Fellows, and Mr. W. MacMurray.

The business before the Court was :—

To consider, and if thought fit, approve the following resolution :—

“ This Special Court of Governors of The Hospital for Sick Children, Newcastle upon Tyne, authorises the trustee for the time being of the property known as 12 to 18 City Road, Newcastle upon Tyne, to sell and absolutely dispose of such property by private contract to the Corporation of Newcastle upon Tyne for the sum of £15,600 and subject to such conditions and in such manner in all respects as such trustee shall think expedient.”

This was moved by Major G. D. Anderson, seconded by Major Martin Millican, and carried unanimously.

ANNUAL COURT OF GOVERNORS.

The eighty-fifth Annual Court of Governors was held at the Fleming Hospital, Great North Road, Newcastle, on Wednesday, 31st March, 1948, at 3 p.m. Mr. W. Cochran-Carr (Vice-President) presiding.

Twenty-seven present whose names are recorded in the Attendance Books. Mr. J. B. Cairncross, C.A., House Governor and Secretary, and Miss M. Lee, Matron, in attendance.

The Notice convening the Meeting was taken as read.

The Chairman suggested that as the Minutes of the Special Court held on 6th September, 1946, and the Annual Court held on 27th March, 1947, had been circulated, they be taken as read. This was agreed and the Minutes were signed by him.

Regrets for inability to be present were recorded from the Rt. Rev. the Lord Bishop of Newcastle, the Rt. Hon. the Lord Mayor of Newcastle, Sir Ralph Mortimer, Councillor Mrs. C. B. Fenwick, Miss K. L. Armstrong, Miss D. A. Souness, Mrs. M. Bayles, Mr. F. Fellows, and Mr. W. MacMurray.

Annual Reports and Accounts.

The Annual Reports of the Board of Management, Medical Board, Almoner, and Garment Guild, together with the Annual Accounts, all of which had been circulated prior to the Meeting, were taken as read.

In moving their adoption the Chairman stated that owing to the State Control of Voluntary Hospitals as from 5th July, 1948, this would probably be the last Annual Court to be held. He sincerely hoped this would not lead to a decline in the generosity of people who in the past have so loyally supported the Hospital. Funds would still be required to give that little extra which is so essential in a children's hospital. The Chairman mentioned that a 12-bed Ward would be added when the necessary sanction was obtained.

Major Frank C. Clayton in seconding the adoption of the Reports and Accounts hoped the success already achieved would be fully maintained under the new regime, and that the personal interest taken by so many in the Fleming for years, would be allowed to be carried on. When the Hospital is handed over to the Regional Hospital Board on 5th July, 1948, it will be with our best wishes and God's blessing.

Vote of Thanks to Board of Management, Honorary Treasurer, and Honorary Medical and Surgical Staff.

As Mr. R. J. Havre, who was to propose this vote of thanks was not present, Major G. D. Anderson speaking on behalf of the Board of Management, stated that as a result of the Governors' approval to sell the former Out-Patient Department at 12 to 18 City Road to the Newcastle Corporation for £15,600, a £10,000 bank overdraft could be paid off, a house bought and altered to accommodate nursing staff, and still have a small working balance. He thought that few hospitals would be in such a happy financial position as the Fleming when taken over by the State. It was pointed out that the sale of the

City Road premises is conditional upon the consent of the Ministry of Health. Major Anderson mentioned that the Playroom now in process of erection will be very beneficial to the small patients of the Hospital.

At this point Mr. R. J. Havre, who had mistaken the time of the Meeting, entered and proposed a very hearty vote of thanks to the Board of Management, the Honorary Treasurer, and the Honorary Medical and Surgical Staff for their faithful and arduous services rendered during the past twelve months.

Vice-President. Mr. T. A. Wright proposed and Major Millican seconded the election of Mr. Hugh Pybus as a Vice-President of the Hospital. This was carried unanimously.

" Elective Members " The Chairman intimated that the following
on Board of Manage- ten ladies and gentlemen had been nominated
ment for ensuing for election to the Board of Management for
period. the ensuing period. On the proposal of
Mr. J. Ridley, seconded by Mr. W. D. Lockey, they were duly
elected :—

Major G. D. Anderson.	Miss R. Millican.
Mr. G. V. M. Bainbridge.	Major Martin Millican.
Major Frank C. Clayton.	Mr. T. B. Newton.
Mr. W. Cochran-Carr.	Mr. Hugh Pybus.
Mrs. C. B. Fenwick.	Mrs. E. G. Sykes.

Election of Auditors. The Chairman intimated that Messrs. Holmes, Dudley & Co., C.A., were the only nominees for election as Auditors, and moved their re-election, which was unanimously agreed.

Vote of Thanks. On the proposal of Major Martin Millican a very hearty vote of thanks was accorded to Mr. Cochran-Carr for presiding, which was carried with acclamation, and Mr. Cochran-Carr suitably replied.

Miss R. Millican proposed a special vote of thanks to Matron and her Staff. This was seconded by Major Clayton.

Matron's Xmas Fund. Mr. G. Wagget made an appeal to the Governors to support Matron's Xmas Fund.

CHAPTER MEETING OF REPRESENTATIVE GOVERNORS.

The Chapter Meeting of Representative Governors was held at the Hospital, Great North Road, Newcastle, on Wednesday, 24th March, 1948, at 7-30 p.m.

Eleven present whose names are recorded in the Attendance Book. Mr. T. A. Wright in the Chair.

The Notice convening the Meeting was taken as read. The Minutes of the previous Chapter Meeting of Representative Governors held on 19th March, 1947, as circulated in the Annual Report, were taken as read and signed by the Chairman.

Regrets for inability to be present were recorded from Miss K. L. Armstrong, Miss D. A. Souness, Mrs. M. Bayles, Councillor Jackson, Mr. McLennan, Mr. Curry, Mr. F. Fellows.

Report of Representative Governors on Board of Management. Mr. W. D. Lockey, Mr. J. Ridley, Mr. G. Wagget, and Mr. J. A. Peacock, Representative Governors on the Board of Management for the past year, spoke of the various activities during their term of office. Special mention was made of the increased work now carried out in the Speech Therapy Department, the splendid contributions made by the Newcastle Day School Children's Hospitals' Fund and presentation by the Hospital of a Silver Cup to the Newcastle Education Committee. A special plea for continued support of Matron's Christmas Fund was made by Mr. Wagget.

Election of Chairman for ensuing period. Mr. T. A. Wright was unanimously elected Chairman for the ensuing period. Mr. Wright returned thanks.

Election of Representatives on Board of Management for ensuing period. The Chairman requested nominations for election of Representative Governors on the Board of Management for the ensuing period. The following were unanimously re-elected :—

Coun. Mrs. M. E. Sutton, J.P.—South Shields C.B.C.
Mr. T. A. Wright—Vickers-Armstrongs Ltd.

EMPLOYEES—

Mr. W. D. Lockey—Northumberland Colliery Mechanics Association.

Mr. G. Wagget — Vickers-Armstrongs Employees' Medical Fund.

CHARITABLE ORGANISATIONS—

Miss K. L. Armstrong—Newcastle Day School Children's Hospitals' Fund.

Mr. J. A. Peacock—Newcastle Day School Children's Hospitals' Fund.

Chairman's
Remarks.

The Chairman mentioned that the Hospital had conferred on him a great honour by nominating him as a member of the Newcastle Regional Hospital Board. Attention was drawn to the fact that Funds for special purposes would still be needed for research, comfort and assistance for patients, and amenities for the Staff, after the Government takes over on 5th July, 1948. Reference was made to the loss sustained by the Hospital in the deaths of Canon F. G. Goddard and Mr. Lee Hudson.

A very hearty vote of thanks proposed by Mr. J. Ridley was accorded to Mr. Wright for presiding.
